We've Only

We've only just begun, to live
White lace and promises
A kiss for luck and we're on our way
We've only just begun
Before the risin' sun, we fly
So many roads to choose,
We start out walkin' and learn to run.
And yet we've just begun.
Sharin' horizons that are new to us
Watchin' the signs along the way
Talkin' it over just the two of us,
Workin' together day to day
Together

Just Begun

And when the evenin' comes, we smile
So much of life ahead
We'll find a place where there's room to grow
And yet we've just begun.
Sharin' horizons that are new to us,
Watchin' the signs along the way
Talkin' it over just the two of us,
Workin' together day to day
Together
And when the evenin' comes, we smile
So much of life ahead
We'll find a place where there's room to grow
And yes we've just begun.

Mr. James Adcock

The Clintonia staff and the Senior class of 1971 take great pleasure in dedicating the 1970-1971 Clintonia Yearbook to Mr. James Adcock. Mr. Adcock has taught in the Clinton Community School System since the January of 1961 and has received his Masters Degree from Western Illinois University. He has taught typing and is now teaching in the English department. He has also been teaching an adult typing class in the evenings.

During these busy ten years, Mr. Adcock has also been associated with the Pep Club, served as Junior class sponsor, devoted numerous hours to MARGOL, and given much time to various proms.

In dedicating this year's CLINTONIA to Mr. James Adcock, we would like to express our deepest gratitude and sincere admiration to a fine man who has worked relentlessly to improve our school and its student body.

ACTIVITIES

Wise ole Juniors take first place.

Maroon rooters capture second place.

G.A.A. "bears down" on third place.

At the close of a week of long, hard, sometimes frustrating work, the fine efforts of many high school students were displayed as the Homecoming parade marched through the streets of Clinton. Although the skies were gray on this Friday afternoon, October 9, 1970, the spirit of the spectators remained bright.

Miss Jean Hickman escorted by Jim Liles.

Queen Debbie

Miss Jan Myers escorted by Alan Peterson.

Miss Tere Werts escorted by Phil Lamkin.

On Friday morning, October 9, 1970, our returning Homecoming Queen Miss Debbie Turney gave a small speech of appreciation and an encouraging word to the four excited candidates. These four finalists, dressed in evening gowns, were introduced to the student body and then asked to answer one situational question.

The fighting Clinton Maroons were defeated by U-High in the Homecoming game, Friday night, October 9, 1970. The final score was 21-8. A very brisk cold wind was braved throughout the game by both the players and the fans. Although U-High beat us, the score did not indicate the equal abilities of the two teams. Both teams fought very hard, but U-High seemed to get the right breaks at the right times.

And if, by mischance,
you should happen to fall,
There are worst things in life
than a tumble on heather,
And life is itself
but a game at football.

"And when the evening comes"

The reigning queen, Miss Jan Myers escorted by Joe Weinman, smiles as she is surrounded by her honored court: Miss Linda Bianucci, escorted by Steve Long; Miss Jean Hickman, escorted by Mike Connelly; and Miss Tere Werts, escorted by Dave Freese.

Mr. Futrell and others enjoy refreshing drinks and cookies served by the Tuggles.

And, yes, Jan's happiness truly is . . . Homecoming '71.

Happiness is . . . walking in the grass in your bare feet or maybe dancing to a song just for you.

Below, Snoopy watches as Clinton students and alumni enjoy the dance.

"A Thurber's Carnival"

Stop the action! "So I said to the bank teller, how could I be overdrawn when I have all these checks left?" As suddenly as they stopped the players resume dancing. These performers include, LEFT TO RIGHT: Beth Harbach, Dave Moss, Bill Conn, Marilyn Rhodes, Jim Calvin, Vicki Young, Julie North, Kathy Bundy, Beverly Baker, Deb Greenwood, Alan Lonbom, and Jeff Eaton.

Nurse Baker (Beverly) awaits further instruction by the neurotic Walter Mitty portrayed by Dave Moss.

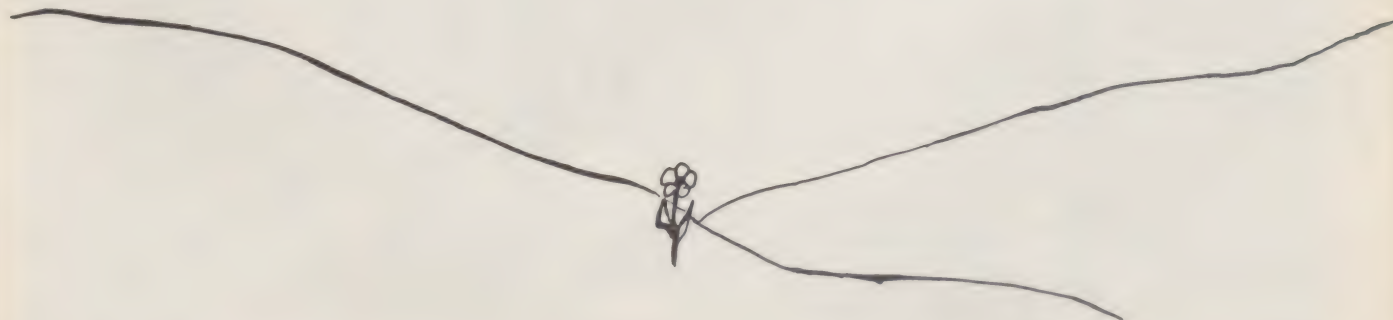

Director Dave Weberg, assisted by Victor Hall, presides to assure a smooth performance.

On November 20 and 21, 1970, the Clinton High School presented the play *A THURBER'S CARNIVAL* by James Thurber. The theme of the play was the humor of everyday life; life past, present, and future. A narrative of our time, a complete and stimulating story, *THE LAST FLOWER* proved to have a marked difference from the other scenes which presented a contrasting effect.

TO THE RIGHT, Debbie Hardin is shown helping Julie North add the last minute touches to her make-up, while Bill Conn admires Beth Harbach's "make-up" below in one of the many humorous fables presented.

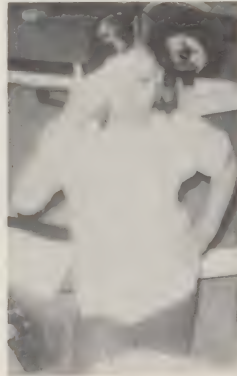

The Girls Boys Watch

Munch, munch, muncha bunch of Fritos!

We were off to see the wizard, but . . .

Sure you've got a headache, Debi!

Did someone say BOYS?

Yes, I did!

I just dropped in to see what condition my condition was in!

Hello, Mr. Biddle, this Lilly Tomlin . . .

Take it away, Ken.

Is there really a logical explanation, Kenny? . . . I certainly hope so!

Now how does this confounded thing work?

Hmm, hmm, wouldn't YOU like to know?

That's right, Mike, he's looking at you.

The Wonderful World of Boys

'To think or not to think' that is the question.

They call me Irresistible, but YOU can call me Roger.

You're going to do WHAT!

What Is a Sweetheart?

A sweetheart is the someone
You could write a book about
The one you love to be with
And you hate to be without.

A sweetheart is the someone
That you're always thinking of
And the very special reason
Why you know that you're in love.

Debra Mills escorted by Rudy Hicks

Sara Vermillion escorted by Billy Conn

A sweetheart is a knowing look-
A hand within your own

Loretta Koshinski escorted by Kerry Lonbom

The voice you always want to hear-
When you pick up the phone

Kathy Hoffman escorted by Steve Hagenbruch

A sweetheart is the one you kiss,
And make up with again
When there's a little difference
Of opinion now and then

Lynda North escorted by Alan Peterson

A sweetheart understands your mood
And laughs at things you say
Or sees you when you're at your worst
But loves you anyway

Jack and

This spring the Dramatics classes presented the play JACK AND THE GIANT. This is a variation of the story JACK AND THE BEANSTALK. The group presented the play to Washington, Douglas, Lincoln, Hallsville, and Kenny grade school children. The kids really enjoyed the production as they were able to participate in its staging. Only one of their teachers was allowed to be present when the play was being put on, therefore, the children were sometimes over-enthusiastic. But the cast enjoyed performing for them, and Mr. Weberg did a fine job directing the play.

The Giant

Class Night

"A Time For Us" was the theme for the Junior-Senior Prom held May 8 this year. The gym was decorated with streamers, garden fountains, and sundials. The stage became a balcony with a place for couples to sit if they wanted to watch the dancers. The Juniors made little replicas of the sundials as souvenirs for the couples attending the Prom. The "Delegation", a rock group, provided both fast and slow music for the occasion.

Graduation Day

"The Class of '71--a class that just could not quite get together."

"It's true, and at times it seemed a hopeless struggle."

"Looking back upon the past four years, it is not only hard to believe, but also rather frightening to think that the Class of 1971 has actually reached its one goal and is about to begin once more. As far as memories are concerned, one can think of endless activities and events that will stay with us forever As the end of our Junior year approached, we began looking beyond Prom and high school activities. We began to think about college and our future. Our Senior year found many of us still thinking, and some making final decisions concerning our future plans. This year was undoubtedly the busiest of all, as we make final visits to colleges and prepared for the many year-end activities that faced us as Seniors As we go out into the world today, where one finds such a great need for peace and unity, hopefully the Class of 1971 will have benefited from its past weaknesses, and will strive to make their future lives infinitely profitable and successful."

-President's Address

"Hail Alma Mater . . . Victory Clinton, Uphold your name."

When I Must Leave You

When I must leave you for a little while,
Please do not grieve and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!

FRONT ROW, left to right: Tim Eaton, Dennis Goodpasture, Bob Kuntz, Ben Nixon, Rodney Bushong, John Coomer, Brad Fink, John Pine, Regie Stites, Jerry Baker, Greg Thomas. MIDDLE ROW, left to right: Coach Bruce Nannini, Joel Bray, Dave Moss, Phil Lamkin, John Sykes, Steve Allen, Mike Hulan, Jim

This year's Varsity football squad did not have the success of last year's squad, although they probably fought harder. The team spent many long hours of practice, and they maintained their spirit throughout the season. For this reason, the Clintonia staff believes they deserve a big hand, and we all have confidence that next year's squad will enjoy a more successful season.

Clinton Sophomore and Freshman coaches Bolser, VanDeveer, and Wrage have gone through periods of frustration as well as enthusiasm working with the boys. Both teams have worked cooperatively to display some very promising defense work. We can look for some future possibilities in these two teams if they continue to play to the best of their ability and never give up. "Let's go you guys, let's go!"

The Cross-Country team this year may not have been successful in their number of victories; however, they did accomplish a great deal in the area of learning good sportsmanship, experience, and endurance. The younger members of the team learned much and C.C.H.S. should be able to expect a prosperous season for Cross-Country next year.

This year's junior varsity team had a fine 13-5 record. They worked very hard to attain this record. Their spirit and will power had a large part in their winning season. With such hard-working young men, they are sure to have another fine season, or even better, next year.

The wrestlers had help from an industrious group of girls this year. They kept the running and book score, time and statistics. The girls who did this work were Janice Barnes, Leslie DuPree, Barb Gibson, Barb Kratz, Patti Nelson, and Cyndie Nixon.

The varsity wrestling team had an outstanding season this year. They won 20 matches and lost 0 matches. Dennis Carter advanced to the sectional tournament with a 23-32 record. Coach Charles Lehman was voted Area Coach of the Year by the Decatur Herald and Review.

 And if I Should Lose, Let Me Stand By the Road

The sophomore basketball team, coached by Mr. Tom Hall, showed promises for an excellent varsity team next year. Although the losses outnumbered the wins, these guys demonstrated skill and good sportsmanship along with the desire for success. We expect a lot from them next year as the players themselves do.

A graduating senior was heard to say that with the experience gained by the juniors and sophomores, our school should have an outstanding team next year also. Arc de Triomphe

The Spanish-French carnival was an enormous success this year in spite of bad weather conditions. Some of the things enjoyed were Spanish tacos and French pastries, snow cones, a puppet show, peasant dancers, pony rides, and a pinata. The student body liked it so well that another one is in the planning for next year.

Student Council

This year has been a turning point for Student Council. Student Council has more organization and authority than ever before--as shown by the way the year started with such a successful Homecoming--"Happiness is . . . Homecoming '70". Student Council also sponsored several dances after basketball games as

well as Pride Week, which both helped raise school spirit. One of Student Council's greatest achievements was its contribution to AFS by helping financially. But most of all, Student Council was accepted as a representative body and was used by the students to voice their opinions about complaints and problems.

This year, F.T.A.'s industrial members busied themselves serving coffee and donuts at one of the teacher conventions. Other activities were selling hot potatoes and some members went to the F.T.A. Convention.

When asked the well-known question,
 "What do you want to be when you grow up?"
 The student replies "A teacher, though I hate them so,
 right now,
 I want to be on the other side,
 just once."

She enjoyed her visit there very much and will also have that memory as a keepsake.

Agriculture

The four year agriculture department, taught by Mr. Donald Prather, contains a variety of subjects. The subjects are: Agricultural Business and Farm Management, Agricultural Science, and Agricultural Power and Machinery.

They strolled down the lane together,
Under a star-studded sky.
He unlatched the gate and led her through.
She neither smiled or thanked him,
Because she knew not how.
For he was just a farmer's boy,
And she was a Jersey cow.

Is an unforgettable

The Junior class leaders and some of their cronies.

These Junior Class leaders helped to direct their fellow classmates through the Junior year. They directed the construction of the 1st place Homecoming float, controlled the concession stands, helped with the Prom, and supervised the class ring selection. They knew what a job it would be and did the best they could to pull the class of '72 through the year. The class salutes you, officers.

American Field Service

Our memories of Klaus Klemons Dorn are both humorous and serious. It will be humorous when we think of his perpetual smile and happy-go-lucky nature. It'll be serious when we think of his football injury and his violin playing at Christmas time.

Klaus came from Ingelheim, Germany, leaving behind his parents and a younger sister, Christel, age 13.

His visit here was from August 6, 1970, until August 27, 1971.

While he was here, Klaus was an active member of Band and Stage Band, F.T.A., Classical Club, Pep Club, Student Council, and the football, basketball and track teams. he was a good example of a hard working, ambitious young man. Klaus didn't give up when things didn't go his own way. He just took them in his stride and worked at it until it was right.

We wish him the best of luck in all he does and we hope that someday he will be able to visit with us again.
